

How to register on the ISMA^{UK} Hub

- Follow this [link](#) which brings you to the Hub dashboard
- Register by entering your email address and choose your password
- The Hub is on a platform provided by Ugenie. You will be asked to accept the Ugenie terms & conditions and may receive emails from them, but only in relation to ISMA matters
- You can complete your profile including a photo and your location. You can edit it and add more information about yourself when you're in the Hub
- Choose your member type (Guest or ISMA Member) and tags for subjects you're interested in so that, when announcements and resources are added, you are notified
- When you want to get into the Hub in future simply enter your email address and password
