

Wellbeing & Resilience at Work

TRAINING PROGRAMME

Do you need to deliver an in-house Wellbeing and Resilience training course, but have no time to prepare?

If you've answered 'yes' to this question, our new Wellbeing training programme is for you!

- Suitable for anyone who provides training
- Comprehensive off-the-shelf programme
- Adaptable and flexible training options
- Quality assured: ISMA^{UK} recognised training programme
- Can be delivered live, via Zoom or Teams

The programme has been developed for use by independent trainers, consultants, HR professionals and company line managers, to help participants identify their own levels of wellbeing and resilience, acquire tools and techniques to improve both, and set goals for wellbeing improvement.

“ISMA^{UK}'s new training pack **Wellbeing and Resilience at Work** will help people enhance their mental wellbeing and manage workplace stress. It combines very accessible, useful information with interactive sessions to help them identify their own issues and how to deal with them. It is a supportive guide and toolkit for individuals, HR and occupational health professionals.”

Professor Sir Cary Cooper, University of Manchester, ISMA^{UK} Patron

What will the programme achieve?

- Help companies understand the effects of stress and achieve a more productive work environment
- Encourage enhanced performance based on wellbeing and personal resilience
- Help reduce or minimise stress-related health problems leading to presenteeism or absenteeism

International Stress Management Association^{UK}
